**COMPREHENSIVE
COMMUNITY
CARE PROGRAM**

Carewest C3 offers programs and services to clients over the age of 65, living in Calgary. The C3 program (Comprehensive Community Care) operates from two locations and provides support for seniors by offering case management and primary care to elderly clients – allowing them to remain at home with a higher quality of life. Care is provided by a 24-hour team through a medical clinic, day program, home support, transportation, access to designated continuing care beds and emergency response telephone system.
