## Dietitian

We select dedicated people just like you to care for our clients, those who offer compassion, knowledge and commitment to the treatment, progress, outcomes and lives of our clients. We are motivated to employ individuals who are passionate about what they do and, are naturally driven to uphold our client-centered approach, contribute to best-practice solutions and a desire to take their careers to the next level within Carewest.

We are one of Canada's largest public healthcare providers of complex continuing care, rehabilitation and recovery services, and a wide variety of community programs for seniors and adults under the age of 65. With 13 locations across Calgary and a team of over 2,600 employees, we offer a diverse, interdisciplinary and expert community of health care professionals. Our innovative practices allow for optimal opportunities to learn, grow and excel with us.

Carewest has been recognized as one of **Alberta's Top Employers** acknowledging our commitment to promoting a strong work/life balance, providing competitive salaries & benefits, and the promotion of teamwork in a collaborative healthcare environment. If you share our vision and are dedicated to joining our growing team, please review our open positions and apply today!

Reporting to the Client Service Manager, this Casual position is part of the interdisciplinary team responsible for completing comprehensive client assessments considering both client safety and nutritional needs. Key responsibilities include; using comprehensive clinical assessment skill and standard screening/assessment tools to determine appropriate texture and/or therapeutic diet to meet client needs and nutritional requirements. This position develops client care plans that incorporate input from interdisciplinary team members, the client and current clinical knowledge and best practices. In keeping with Carewest policies and practices and Professional College of standards practices, this position is responsible for documenting and maintaining all aspects of nutritional care in a timely and accurate manner. Responsible for other related duties as required.
