

We select dedicated people just like you to care for our clients, those who offer compassion, knowledge and commitment to the treatment, progress, outcomes and lives of our clients. We are motivated to employ individuals who are passionate about what they do and, are naturally driven to uphold our client-centered approach, contribute to best-practice solutions and a desire to take their careers to the next level within Carewest.

We are one of Canada's largest public healthcare providers of complex continuing care, rehabilitation and recovery services, and a wide variety of community programs for seniors and adults under the age of 65. With 13 locations across Calgary and a team of over 2,600 employees, we offer a diverse, interdisciplinary and expert community of health care professionals. Our innovative practices allow for optimal opportunities to learn, grow and excel with us.

Carewest has been recognized as one of **Alberta's Top Employers** acknowledging our commitment to promoting a strong work/life balance, providing competitive salaries & benefits, and the promotion of teamwork in a collaborative healthcare environment. If you share our vision and are dedicated to joining our growing team, please review our open positions and apply today!

THERAPY

Physical Therapist I

Competition 2018-1498

Location: Dr Vernon Fanning Centre, Physiotherapy Complex Long Term Care

Position Status: Regular Part-Time (BW hours 62.00)

Position Summary: This position is responsible for providing client care through focused assessment, treatment and discharge planning on our rehabilitation and recovery units, and contributing to our resident's quality of life through assessment of appropriate interventions to maximize safe, functional independence on our continuing care units.

Other duties may include providing clinical supervision to support staff and students. Responsible for other related duties as required.

Program Summary:

Chronic Medical Care – for adults living with a complex disease or life-threatening illness. The prime populations are adults on hemodialysis or peritoneal dialysis, as well as people who need specialized respiratory support.

Qualifications: Graduation from a recognized Masters or Degree program in Physical Therapy

Registration with the College of Physical Therapists of Alberta is required; AADL authorizer is an asset

Experience: Experience using physiotherapy in a clinical and/or continuing care setting an asset
New grads and physiotherapist interns welcome
