Summary of Site and Services

Carewest Colonel Belcher opened its doors to the Calgary community in 2003 and has since grown to offer programs and services for 175 long-term care residents and 30 supportive living residents. Its programs are as follows:

Secured Dementia Care

For cognitively complex residents, whose care needs cannot be met in a supportive living environment and who require professional nursing care in a secure environment.

90 beds

Designated Assisted Living

Offers assisted living for people who may need extra support such as health monitoring and personal care, along with meals, bathing and laundry in the adjoining Residence at the Colonel Belcher.

30 beds

Building Amenities

Amenities at Colonel Belcher include a cafe, gift shop, hair salon, open-air gardens, washer/dryer for personal use, resource library, dining rooms, controlled smoking area and large and small function space for resident and family use.

Medically Complex Care

For medically complex residents whose care needs cannot be met in a Supportive Living environment and who require professional nursing care. Their primary diagnosis is medical and may have a secondary diagnosis of cognitive impairment.

85 beds

Adult Day Program

Available to adults over the age of 65 who are living in the community and who would benefit from a social, leisure and health promotion program and whose families would benefit from respite care.

54 beds

For Our Veterans

Veterans of the First World War, Second World War and the Korean War who served overseas or received a disability pension during that time period may be eligible for placement at Carewest Colonel Belcher. Eligibility is determined by Veterans Affairs Canada.

Carewest Colonel Belcher is also host to an annual Remembrance Day ceremony for veterans and their families. It also offers one respite bed for seniors over the age of 65.
