

We select dedicated people just like you to care for our clients, those who offer compassion, knowledge and commitment to the treatment, progress, outcomes and lives of our clients. We are motivated to employ individuals who are passionate about what they do and, are naturally driven to uphold our client-centered approach, contribute to best-practice solutions and a desire to take their careers to the next level within Carewest.

We are one of Canada's largest public healthcare providers of complex continuing care, rehabilitation and recovery services, and a wide variety of community programs for seniors and adults under the age of 65. With 13 locations across Calgary and a team of over 2,600 employees, we offer a diverse, interdisciplinary and expert community of health care professionals. Our innovative practices allow for optimal opportunities to learn, grow and excel with us.

Carewest has been recognized as one of **Alberta's Top Employers** for the past four years in acknowledgement for our commitment to promoting a strong work/life balance, providing competitive salaries & benefits, and the promotion of teamwork in a collaborative healthcare environment. If you share our vision and are dedicated to joining our growing team, please review our open positions and apply today!

THERAPY

Psychologist II

Competition 2017-0284

Operational Stress Injury (OSI) Clinic – an outpatient clinic funded by Veterans Affairs Canada that supports former and current Canadian Forces members, and members of the RCMP suffering from an Operational Stress Injury who require specialized assessment and treatment.

This Regular Part Time (38.75 BWH) position located at our OSI Clinic in Market Mall is responsible for delivering treatment services to clients referred by Veterans' Affairs Canada and Department of National Defence as part of an interdisciplinary team. Responsibilities include: administering and interpreting standardized psychological assessment instruments, designing individualized treatment plans based on assessed needs, and delivering evidence-based psychological treatment interventions. Other related duties as required.

Qualifications:

- Graduated from a recognized degree program in Psychology
- Master's Degree required; a PhD would be preferred
Registration with the College of Alberta Psychologists (CAP)
- Experience in delivering effective individual and group psychotherapy
- Experience working with members of the military or police forces preferred
- Experience in treating anxiety disorders, including PTSD, preferred
