Client Service Manager

Competition 2017-0765

Regional Community Transition Program (RCTP) – a short-stay restorative care program that supports medically stable adults who do not need an acute-care level of service, but require additional rehabilitation, assessment, nursing care, and discharge planning before returning to the community.

Position Summary:

Reporting to a Director of Operations, this Regular Full Time position is responsible for oversight of the RCTP program at our Sarcee location. While maintaining a client-centered service delivery model, this position is responsible for working collaboratively with clients, families and staff to ensure positive program outcomes. This position is responsible for ensuring efficient and effective program operations within a defined budget, providing management oversight and direction to program staff including coaching and mentoring, program strategic planning, and ongoing quality improvement. In keeping with Carewest's Frame of Reference, key accountabilities include program planning and implementation of program principles and standards in alignment with operational priorities. Responsible for other related duties as required.

Qualifications:

- Bachelor's or Master's Degree in Nursing, allied health or a related discipline
- Current registration by licensing body (for health care disciplines)
- Current Basic Life Support – Health Care Provider (BCLS-HCP) certification
- Demonstrated ability to lead within an interdisciplinary healthcare environment
- Excellent leadership, time management, attention to detail, and communication skills. Strong commitment to quality improvement
