Manager, Pharmacy

Competition 2017-1045

We select dedicated people just like you to care for our clients; those who offer compassion, knowledge and commitment to the treatment, progress, outcomes and lives of our clients. We are motivated to employ individuals who are passionate about what they do and, are naturally driven to uphold our client-centered approach, contribute to best-practice solutions and a desire to take their careers to the next level within Carewest.

We are one of Canada's largest public healthcare providers of complex continuing care, rehabilitation and recovery services, and a wide variety of community programs for seniors and adults under the age of 65. With 12 care locations across Calgary and a team of over 2,600 employees, we offer a diverse, interdisciplinary and expert community of health care professionals. Our innovative practices allow for optimal opportunities to learn, grow and excel with us.

Carewest has been recognized as one of **Alberta's Top Employers** acknowledging our commitment to promoting a strong work/life balance, providing competitive salaries & benefits, and the promotion of teamwork in a collaborative healthcare environment. If you share our vision and are dedicated to joining our growing team, please review our open positions and apply today!

Reporting to a Director of Operations, this Temporary Full Time position is responsible for the development and coordination of efficient and effective Pharmacy Services aligned with Carewest's frame of reference and business needs. Pharmacy Services are provided in a multi-site, team-based, customer service environment. This role is active in providing pharmaceutical care services to clients. In keeping with Carewest's Frame of Reference, key accountabilities include program planning and implementation of program principles and standards in alignment with operational priorities. Responsible for other related duties as required.

Qualifications:

- BSc Degree in Pharmacy
- Must be registered and in good standing with the Alberta College of Pharmacy
- A minimum of five years' experience in a clinical pharmacy role
- Three years of pharmacy operations management experience required
- Knowledge of pharmacy IT systems, i.e., BDM
- Demonstrated financial knowledge and abilities (budget, reporting)
- Demonstrated leadership and decision making skills
- Excellent communication, team building, conflict resolution, organizational and time management skills
- Demonstrated quality and process improvement skills
- Ability to develop and maintain professional and cohesive working relationships with stakeholders
