## Undergraduate Pharmacy Employee III Competition 2017-1114

We select dedicated people just like you to care for our clients, those who offer compassion, knowledge and commitment to the treatment, progress, outcomes and lives of our clients. We are motivated to employ individuals who are passionate about what they do and, are naturally driven to uphold our client-centered approach, contribute to best-practice solutions and a desire to take their careers to the next level within Carewest.

We are one of Canada's largest public healthcare providers of complex continuing care, rehabilitation and recovery services, and a wide variety of community programs for seniors and adults under the age of 65. With 13 locations across Calgary and a team of over 2,600 employees, we offer a diverse, interdisciplinary and expert community of health care professionals. Our innovative practices allow for optimal opportunities to learn, grow and excel with us.

Carewest has been recognized as one of **Alberta's Top Employers** acknowledging our commitment to promoting a strong work/life balance, providing competitive salaries & benefits, and the promotion of teamwork in a collaborative healthcare environment. If you share our vision and are dedicated to joining our growing team, please review our open positions and apply today!

We are looking for an Undergraduate Pharmacy Employee (UPE) 3 for our Dr. Vernon Fanning Centre. This Temporary Full Time position is for a pharmacy student who has not completed their pharmacy education program to initial entry to practice as a registered pharmacist and has been hired to provide "pharmacy support". Key responsibilities include entering orders into the pharmacy computer system, medication preparation and distribution and operating the packaging machine. These employees are unregulated workers and therefore must be under the direct supervision of a licensed pharmacist.

### Qualifications:

- Completion of 3 years of the Bachelor's of Pharmacy Program at a recognized Canadian educational institution
- Registered with Alberta College of Pharmacists is a requirement
- Must have theory and practice in applicable restricted activities in order to perform the tasks
