We select dedicated people just like you to care for our clients, those who offer compassion, knowledge and commitment to the treatment, progress, outcomes and lives of our clients. We are motivated to employ individuals who are passionate about what they do and, are naturally driven to uphold our client-centered approach, contribute to best-practice solutions and a desire to take their careers to the next level within Carewest.

We are one of Canada's largest public healthcare providers of complex continuing care, rehabilitation and recovery services, and a wide variety of community programs for seniors and adults under the age of 65. With 13 locations across Calgary and a team of over 2,600 employees, we offer a diverse, interdisciplinary and expert community of health care professionals. Our innovative practices allow for optimal opportunities to learn, grow and excel with us.

Carewest has been recognized as one of **Alberta's Top Employers** acknowledging our commitment to promoting a strong work/life balance, providing competitive salaries & benefits, and the promotion of teamwork in a collaborative healthcare environment. If you share our vision and are dedicated to joining our growing team, please review our open positions and apply today!

NURSING

Employee Health & Safety Nurse

Comp 2018-1117

Reporting to the Manager, Employee Health & Safety, this Regular Full Time position is responsible for providing leadership and support for the health and safety program including disability management, Health & Safety committee activities, health promotion programs, and provides clinical services such as employee immunization and health screening. The Employee Health & Safety Nurse also provides training, conducts safety inspections and audits, and promotes the awareness of health and safety service programs throughout Carewest.

In this fast-paced environment, flexibility and adaptability is a key strength!
