

Carewest presents:

2023 Supportive Pathways Train-the-Trainer Sessions:

This session will give you the ability to train your staff in a nationally recognized Dementia Care program that emphasizes key skills that everyone on the care team can use.

On completion, you will receive access to training materials that will allow you to meet the staff training needs (both on hire and regular refresher) required for Alberta's Continuing Care Health Services Standard related to dementia training.

Session	Dates	Location
Accelerated Participant Training	2023 March 13 2023 June 20 2023 October 3	Facilitated virtually on Zoom
Train-the-Trainer	2023 March 14 and 15 2023 June 21 and 22 2023 October 4 and 5	Facilitated virtually on Zoom

Prerequisite: Accelerated Participant Training or a 2-day Basic Participant Supportive Pathways training.
A copy of your Participant certificate is required with registration forms.
