

Discharge

Planning to go home starts when you arrive. Please participate in planning a successful discharge.

Your team will discuss community resources and equipment options with you. You will get as much notice as possible of your discharge date. You are responsible for arranging your own transportation for discharge.

Diagnostic tests and lab services

Most x-rays and blood work are provided on the unit. Access to specialized diagnostic services (bone scan, CT scan, MRI scan, etc.) is provided if required and will be arranged by your team.

Laundry

You and/or your family support system are responsible for personal laundry. Please speak to staff if there is difficulty for you to get more information about site specific service options.

Smoking

Smoking is discouraged. Ask your physician if you would like more information about quitting. Smoking is only permitted in designated areas off the property. Staff are not able to transport you to or from smoking areas.

Other Amenities

- Cafeteria
- Gift Shop
- Gardens
- Telephone for local calls

Visiting and Parking

Visiting hours are flexible. Preferred visiting hours may be posted on the unit.

Family and those who support your well-being are welcome to join in therapy sessions so they can see your progress and learn how best to support you. Please consult the staff about pet visits. Reporting is available at all sites. Only credit or debit cards are accepted.
