Summary of Site and Services

Carewest Signal Pointe opened its doors to the Calgary community in 2000 and has since grown to offer programs and services for 54 long-term care residents. Carewest Signal Pointe offers the following:

Complex Mental Health Care

A program providing comprehensive care for adults with complex behaviours, whose primary diagnosis includes mental illness, dementia or other cognitive disorders.
54 beds

Building Amenities

Amenities at Signal Pointe include a gift shop, manicured gardens with winding pathways, five adjoining bungalows in a secure environment designed to encourage independence and social interaction, library and smoking room.

Meal Service

Carewest Food Services strives to create and serve healthy, nutritious meals with friendly service in a relaxed environment. Most special dietary requirements can be met and we welcome feedback from residents and families.

Momentum

The Momentum Real-Time Location System, allows for increased safety and a more efficient response to incidents. Residents can request assistance from anywhere in the building and staff can find residents, and each other, quickly.

Therapy Services

Activities can be organized on a regular basis to enhance well-being and respond to physical, emotional, intellectual, spiritual, cultural and sensory needs.
