Carewest
Day Programs

Welcome

Carewest offers Day Programs for adults of all ages who are living in the community and have limitations affecting their ability to socialize and interact in community activities. The Adult Day Program at Carewest Colonel Belcher and the Younger Adult Day Program at Carewest Dr. Vernon Fanning are available to adults who may suffer from chronic illness or physical disabilities.

Goals

In a secured, friendly environment, the program strives to:

- Give clients a chance to engage in meaningful activities while providing respite to their caregivers;
- Inform clients and their families about health promotion to aid in daily decision-making about health issues;
- Monitor health status and refer clients to other health services when necessary;
- Foster social contact and friendships;
- Promote self-esteem, confidence and independence; and,
- Help clients connect with other appropriate community services.

Services Offered

The following services are provided:

- Caregiver respite, support and information
- Socialization and peer support
- Nutritious meals and snacks
- Recreational activities, events and outings
- Some personal care
- Physical exercise
- Cognitive stimulation
- Health status monitoring
- Monthly blood pressure and weight measurement

Meals

Lunch is provided as part of the service. Special dietary needs may be accommodated.

Access

This program is part of the Alberta Health Services (AHS) network of Adult Day services. Participants must meet the Day Program eligibility requirements.

The Day Program must be accessed through Home Care at 403-943-1920.

Costs

A nominal daily fee per visit includes lunch, snacks and supplies. The fee may be reduced or waived for certain clients who are eligible for AHS subsidies. Clients are responsible for the cost and arrangement of transportation. Onsite parking is available. Please see the front receptionist for details.

Information

For more information, please call:
