Summary of Site and Services

Carewest Rouleau Manor is a 77-bed Type A continuing care facility situated at the Holy Cross Campus. Facility provides care for residents who suffer from mental illness and cognitive impairment. The building has five separate floors, three of which are secure. The interdisciplinary care team embraces a client-centered philosophy at the site.

Complex Mental Health Care

A 77-bed program for adults with complex behaviours and mental health needs, including a harm reduction approach with enhanced resources to support individuals experiencing addiction and mental health challenges. The program provides holistic, person-centered care for adults whose primary diagnoses include mental illness, dementia, or other cognitive disorders.

Meal Services

Carewest Food Services strives to create and serve healthy, nutritious meals with friendly service in a relaxed environment. Special dietary requirements can be met, and we welcome feedback from residents and families.

Multidisciplinary Approach to Care

The team at Rouleau works with each resident and their family to develop a plan for care to enhance well-being and respond to physical, emotional, intellectual, spiritual, cultural and sensory needs.

Rooms

All our suites come equipped with a three-piece ensuite. Each suite is furnished with a bed, small nightstand and wardrobe/closet. There are 71 private suites and 3 semi-private suites available.

Building Amenities

Amenities at Rouleau Manor include private and semi-private rooms, smoking rooms, and a large bistro area designed to encourage social interaction on each floor.
